Kaukauna Alumni Foundation
Bruce and Teresa Mathis Scholarship

Background:
Bruce is a 1965 graduate of Kaukauna High School (KHS) who felt he never fully applied himself while attending KHS. He always wanted to further his education but did not have the financial support needed, so it became an item on his bucket list. After leaving Kaukauna in 1985 to venture out on a new career he soon discovered how valuable his education at KHS was impacting his future. He returned to school and graduated from college at the age of 50. It was during this time he realized that without the education he had received earlier in his life he would never have achieved his goal of a college degree.

After experiencing the value of his early learning, his wife Teresa, and he decided to pay something back. They established this scholarship to help someone they consider an average KHS student (GPA of 2.5 - 3.2) who wants to further their education but needs a little seed money to get started. They hope that with the little support they can provide, it opens a door of opportunity to fulfill someone's dream of pursuing a career and a better future.
