Haley A. Apple Memorial Scholarship

Background:

Haley Apple was truly an amazing person inside and out. She believed in making everyone feel welcome and loved at school. Helping others was very important to her, and every chance she got, she would do just that. Haley's family and friends will always remember her for her smile and her beautiful voice. She felt that secondary education was very important and wanted to attend Fox Valley Technical College for an associate degree in event planning. She also wanted to get a degree in Cosmetology. Haley loved the outdoors, country music, family, friends, hunting and of course animals. Haley's life was sadly cut short in January of 2019, at the age of 17, due to a car accident. She inspired her friends and family to give back and continue what she started. This scholarship was created in memory of someone who will truly never be forgotten. Live every day to the fullest and always remember to make Haley proud!
