# Waupaca Area Community Foundation
# James and Diane Larson Scholarship

**Background:**
James Larson is a retiree from a management position at Waupaca Foundry. His wife Diane is a retired teacher most recently teaching in the Waupaca School District system.

The couple had to pay their own way through college, but they realize things are different for today's students and that it is much more difficult for young people to finance a college education. That's why the Larsons are inspired to give this Scholarship. It's their belief that there is no better way to give back to the community than to help give young people a start in leading what they feel is a successful life.
