Jules Joosten Memorial Scholarship

Background:
At the tender age of 3, Jules chose her forever family. Her family has been greatly blessed with her beautiful smile and loving heart. All who met her remember her as a person whose smile would light up a room. She was best friends to everyone and was always down for fun.

Jules was good at whatever she did. Children recognized her gentle soul and followed her everywhere, which led her to pursue a career as a teacher. Jules loved to hang out with friends, binge watch Netflix shows and cruise around in her car. She loved her sports, not for the actual sport, but because she loved being with people and being a part of a team.

Jules' positive attitude and generosity continually reminded her family to live with gratitude for the time they have. Even though their time with her was cut short, their lives are richer for having had her in it. Words cannot express how grateful they are to have been chosen to be her family.

This scholarship was established in loving memory of Jules, by her family.
