Clintonville Area Foundation
Small Steps Scholarship

Background:
Kathy and Richard Block have made education both a profession and a passion. Although they have since retired, they believe that small steps in learning are the path to make a difference in the lives of others and that this difference has a ripple effect on the community. They established this fund to encourage individuals to learn more to improve performance, skills, and abilities so they, too, can make a positive change.

This award is not meant to be for typical post-secondary education, but to encourage individuals to learn more to improve performance, skills and abilities in their career and community.
