Jackie Johnson Fox Communities Credit Union Scholarship

Background:

Jacqueline Diane "Jackie" Johnson passed away on Saturday, October 21, 2017, in her sleep at the age of 52. Jackie was a dedicated employee of Fox Communities Credit Union for 33 years, rising to Assistant Vice President of Information Systems. In her role she served many staff members as a mentor and was very respected by all.

Despite her busy career, she and her husband Tracy successfully raised their sons Nick and Jacob. Jackie was also a treasurer for her sons' Boy Scout Troup for years and attended UW Fox Valley and attained an Associate Degree of Arts and Science.

As her sons grew up, Jackie wanted to give back to her community, and she volunteered at most of the events that the credit union sponsored. The community started to recognize her as the face of Fox Communities Credit Union, with a smile at many events.

She was very proud of the fact that she was returning to school after a long hiatus and thought it was funny that her and their boys were all going to school at the same time! Even through the adversity of all the many things going on in her life, she still found the time to make her education a priority.

In 2018, this scholarship was established by Fox Communities Credit Union and her friends in loving memory of Jackie.
