Event Sponsorship Request Guidelines

What This Grant Supports

Event Sponsorship grants support events that foster a community where all are valued, feel included, and can contribute. We look to our Event Sponsorship grants as an opportunity to support and uplift community events that represent the Foundation's Belonging value.

Section	Question(s)	Guidance
Organization Information	Year established Mission, Vision, Values Fiscal sponsorship Organization service area	This section gives reviewers a basic picture of your organization. Reviewers are not scoring you on size or age – they want to understand what drives your organization and who you serve. If you use a fiscal sponsor, confirm your paperwork is complete before applying. To start that process, you may contact grants@cffoxvalley.org.

How does this event strengthen community connection, belonging, or well-being? *What community need, opportunity, or tradition does this event address or uplift?* 8. Organization capacity and readiness: *Describe your team's experience in hosting events of this size or type. If this is a new event, what planning has been completed so far?*	Reviewers will look for: • In questions 1 through 5, sharing the high-level details of your event. • Is the event accessible for participants? Is there a low barrier to entry? • One of the Community Foundation for the Fox Valley Region's core values is Belonging. How does the proposed event live out that value and work to build a sense of community? • Does the team have the capacity and preparation needed to carry out the event successfully?
Funding Request & Information	1. Total event budget 2. Event amount requested 3. Event budget upload	Reviewers will look for: • The total cost of hosting the event

		• A request amount that aligns with guidelines • A clear, practical outline of event costs and how grant funds would be used
Sponsorship Information	1. Event sponsorship packet 2. Highest sponsorship level 3. Will a representative be requested at the event 4. Volunteer opportunities	Reviewers will look for: • A clear explanation of what each sponsorship level entails • One of the key elements for consideration is that regardless of the sponsorship levels, the Community Foundation cannot be the presenting/lead sponsor. The questions that ask for your sponsorship packet and for the identification of the highest sponsorship level help us ensure we are keeping this guideline in mind. • Please note that it is not an expectation or requirement that you have a Foundation representative at the event! We ask this question so we can evaluate timing and staff availability. We enjoy being at events but cannot guarantee that we can meet every request. • Lastly, reviewers want to understand if, in addition to funding support, there are other opportunities for Foundation staff to support the event.
